

USB MINI-B Roll Cable

This is a USB 2.0 type A to Mini-B 5-pin cable with roll-patent mechanism. It's equipped with standard mini-B connector which is a part of many modern devices, including cameras and MP3 players. This connector is compatible with mikroProg™ and mikromedia™ boards, too. Cable is 1 meter long. Central plastic comes with red mikroE logo sticker.

CUSTOMIZATION: We can modify our products to suit your requirements, click [here for details](#).

MIKROE-1096 **USB MINI-B Roll Cable**

MikroElektronika Embedded Solutions

PIC Solution

- PIC Dev. Boards
- PIC Compilers
- PIC Programmers
- mikroLab Kits for PIC
- PIC Books
